İSTİKLÂL MARŞI

Korkma, sönmez bu şafaklarda yüzen al sancak;
Sönmeden yurdumun üstünde tüten en son ocak.
O benim milletimin yıldızıdır, parlayacak;
O benimdir, o benim milletimindir ancak.

Çatma, kurban olayım, çehreni ey nazlı hilâl!
Kahraman ırkıma bir gül! Ne bu şiddet, bu celâl?
Sana olmaz dökülen kanlarımız sonra helâl.
Hakkıdır Hakk'a tapan milletimin istiklâl.

Ben ezelden beridir hür yaşadım, hür yaşarım.
Hangi çılgın bana zincir vuracakmış? Şaşarım!
Kükremiş sel gibiyim, bendimi çiğner, aşarım.
Yırtarım dağları, enginlere sığmam, taşarım.

Garbın âfâkını sarmışsa çelik zırhlı duvar,
Benim iman dolu göğsüm gibi serhaddim var.
Ulusun, korkma! Nasıl böyle bir imanı boğar,
Medeniyet dediğin tek dişi kalmış canavar?

Arkadaş, yurduma alçakları uğratma sakın;
Siper et gövdeni, dursun bu hayâsızca akın.
Doğacaktır sana va'dettiği günler Hakk'ın;
Kim bilir, belki yarın, belki yarından da yakın

Bastığın yerleri toprak diyerek geçme, tanı:
Düşün altındaki binlerce kefensiz yatanı.
Sen şehit oğlusun, incitme, yazıktır, atanı:
Verme, dünyaları alsan da bu cennet vatanı.

Kim bu cennet vatanın uğruna olmaz ki feda?
Şüheda fışkıracak toprağı sıksan, şüheda!
Cânı, cânânı, bütün varımı alsın da Huda,
Etmesin tek vatanımdan beni dünyada cüda.

Ruhumun senden İlahî, şudur ancak emeli:
Değmesin mabedimin göğsüne nâmahrem eli.
Bu ezanlar -ki şehadetleri dinin temeli-
Ebedî yurdumun üstünde benim inlemeli.

O zaman vecd ile bin secde eder -varsa- taşım,
Her cerîhamdan İlahî, boşanıp kanlı yaşım,
Fışkırır ruh-ı mücerret gibi yerden na'sım;
O zaman yükselerek arşa değer belki başım.

Dalgalan sen de şafaklar gibi ey şanlı hilâl!
Olsun artık dökülen kanlarımın hepsi helâl.
Ebediyyen sana yok, ırkıma yok izmihlâl;
Hakkıdır hür yaşamış bayrağımın hürriyyet;
Hakkıdır Hakk'a tapan milletimin istiklâl!

Mehmet Âkif Ersoy

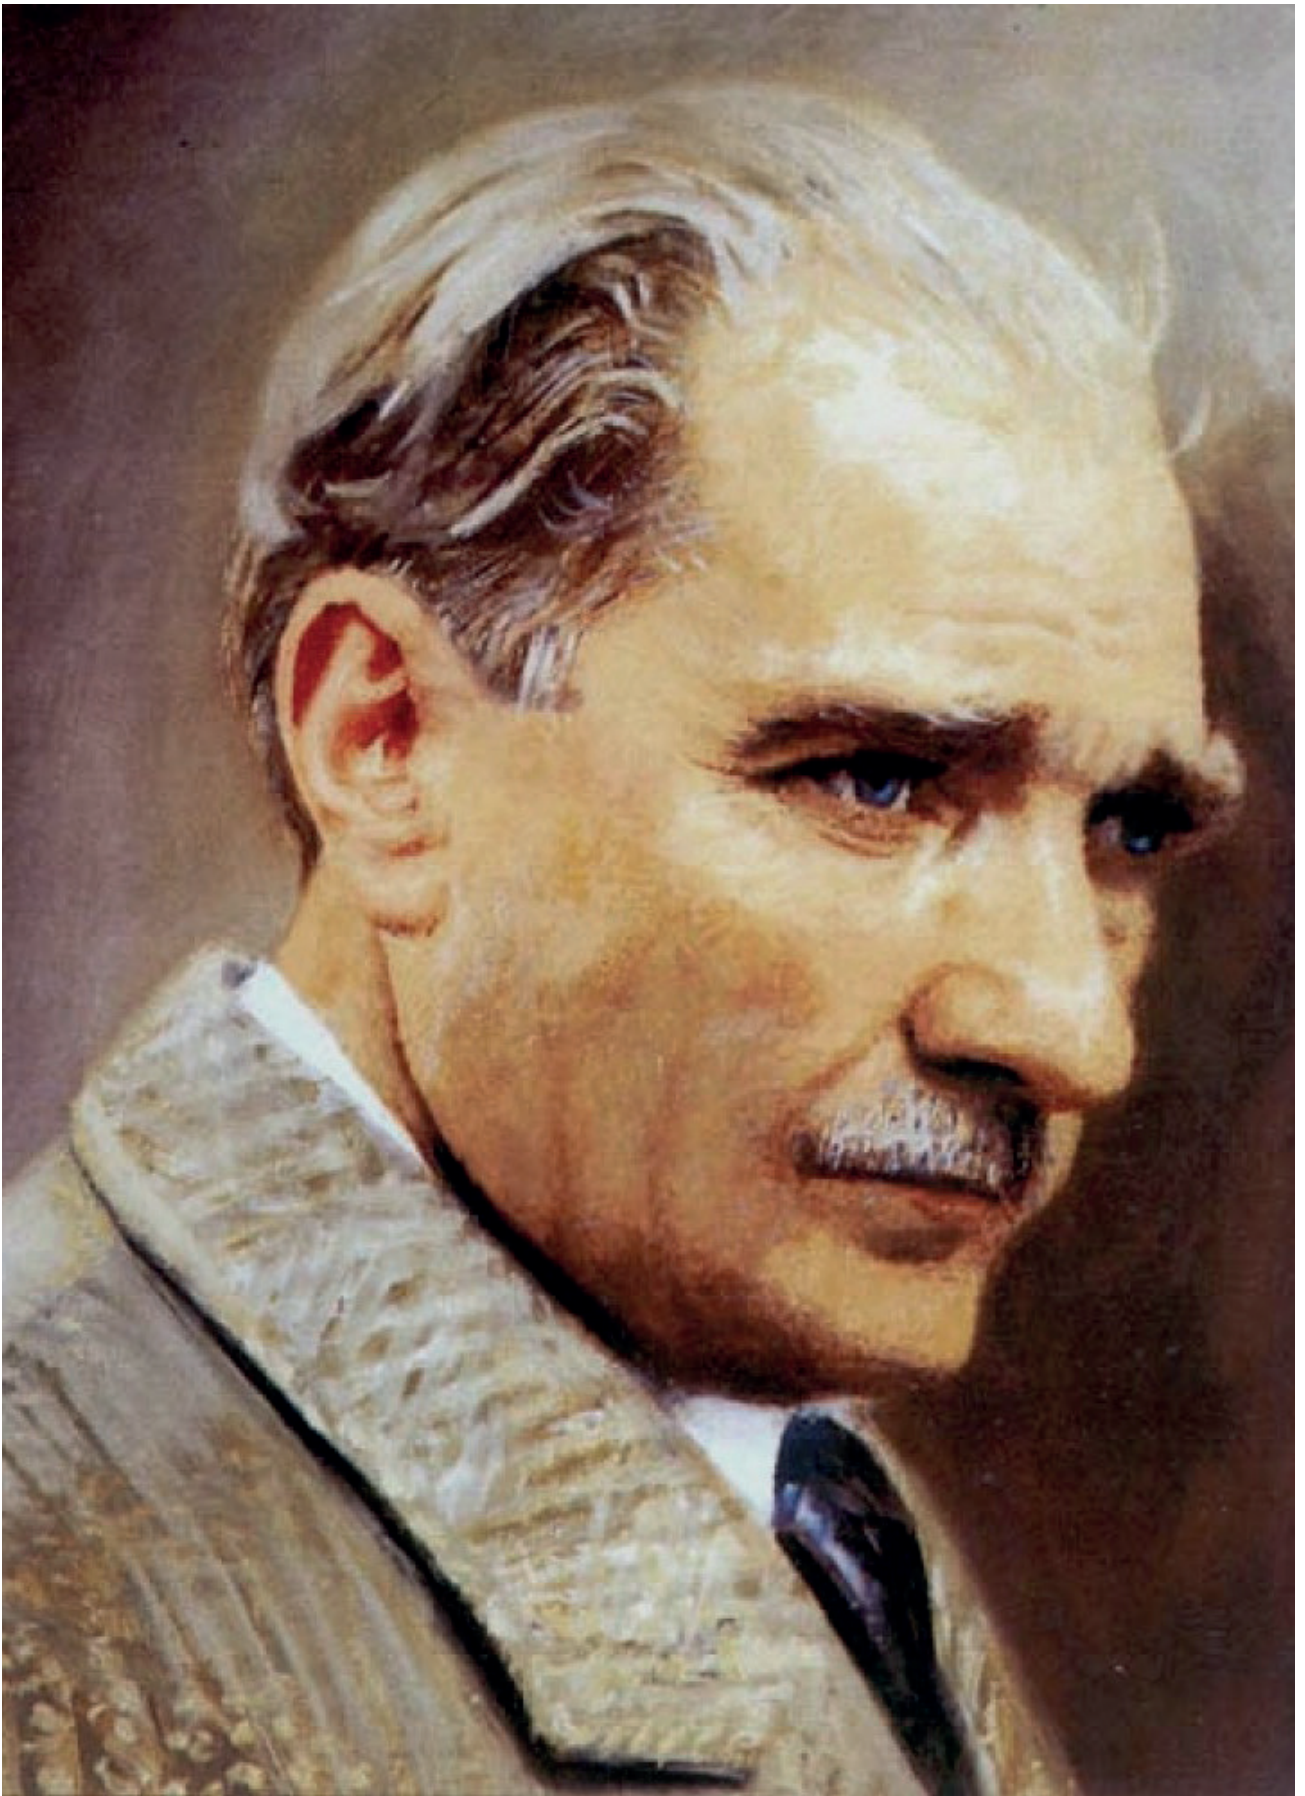

GENÇLİĞE HİTABE

Ey Türk gençliği! Birinci vazifen, Türk istiklâlini, Türk Cumhuriyetini, ilelebet muhafaza ve müdafaa etmektir.

Mevcudiyetinin ve istikbalinin yegâne temeli budur. Bu temel, senin en kıymetli hazinendir. İstikbalde dahi, seni bu hazineden mahrum etmek isteyecek dâhilî ve hâricî bedhahların olacaktır. Bir gün, istiklâl ve cumhuriyeti müdafaa mecburiyetine düşersen, vazifeye atılmak için, içinde bulunacağın vaziyetin imkân ve şeraitini düşünmeyeceksin! Bu imkân ve şerait, çok namûsait bir mahiyette tezahür edebilir. İstiklâl ve cumhuriyetine kastedecek düşmanlar, bütün dünyada emsali görülmemiş bir galibiyetin mümessili olabilirler. Cebren ve hile ile aziz vatanın bütün kaleleri zapt edilmiş, bütün tersanelerine girilmiş, bütün orduları dağıtılmış ve memleketin her köşesi bilfiil işgal edilmiş olabilir. Bütün bu şeraitten daha elim ve daha vahim olmak üzere, memleketin dâhilinde iktidara sahip olanlar gaflet ve dalâlet ve hattâ hıyanet içinde bulunabilirler. Hattâ bu iktidar sahipleri şahsî menfaatlerini, müstevlîlerin siyasî emelleriyle tevhit edebilirler. Millet, fakr u zaruret içinde harap ve bîtap düşmüş olabilir.

Ey Türk istikbalinin evlâdı! İşte, bu ahval ve şerait içinde dahi vazifen, Türk istiklâl ve cumhuriyetini kurtarmaktır. Muhtaç olduğun kudret, damarlarındaki asil kanda mevcuttur.

Grammar

Articles (a/ an/ the)

There are three articles in English. They are a/ an/ the. They are a type of adjectives and used before nouns or noun equivalents. "A/ An" are called indefinite articles and "the" is called definite article.

→ Indefinite articles are used before singular nouns and show us that the noun is general. They are not used with plurals or uncountables.

"A" is used before a singular noun beginning with a consonant sound.

a teacher a map a lemon

"An" is used before a singular noun beginning with a vowel sound.

an apple an eraser an umbrella

→ Definite article "the" is used before singular or plural nouns when the noun is specific and certain.

the book on the table
the green apple
the tree in the school garden
the barking dog

There is a zoo in the city center. There is an elephant at the zoo. The elephant is old.

Hi, my name is Defne. I'm from Muğla. It's a city in the southwest of Turkey. Approximately 1 million people live in Muğla. We speak Turkish here. A lot of tourists visit Turkey each year.

I get up at 7 every morning and wash my face and hands. Then I breakfast with my family. I have got a sister. She is twelve. My mother is thirty-three and my father is forty-five years old. We home together at 8:30 am. My sister and I the school bus but my parents drive to work. My class isn't very crowded. There are twenty-six students in my class.

On weekdays, I chess club and play chess with my friends. I computer games only at weekends. I have lunch at the school canteen because my house is too far from the school. I sometimes bring lunch to school. My mum delicious sandwiches for me. We have dinner at home all together. I hate watching TV. Instead, I like reading comics. I usually go to bed at about 10 pm.

Tour Guide Where To Go?

Kyoto is the best place to visit in spring, especially in April and May. Cherry blossoms are everywhere in this season. If you buy a JR pass ticket, you can travel all around Japan.

Norway is the most beautiful country in winter. You can see "auroras" there. "Auroras" are known as Northern and Southern lights. They change the darkness to brightness. You can see them in December, January, February.

Come and see Antalya in summer. You can enjoy the sea and the sun, the green and the blue there. You can also visit ancient ruins in Side, Olympos, Ksanthos and Patara. June, July and August are the ideal months to visit Antalya.

Bruges is a city of romance in Belgium. Its channels, narrow streets and gothic architecture will fascinate you! You can spend September, October and November here!

Subject: My holiday

Hello Sam,
I'm having a holiday in a Greek Island ,
Mykonos. We are staying at a boutique hotel.
It's a small and lovely place. There are a lot of
people here. They are all coming from
different countries. I'm writing to you on the
balcony. It has an amazing view of the island
and I'm enjoying it now. Today I'm not going
to the beach. I'm meeting my friends, Pablo
and Carlo at Roof Cafe. They are Mexican.
They are very friendly. They like surfing very
much. They are teaching it to me. My father
is fishing at the moment and my mother is
sunbathing. My dog, Puppy is running and
playing on the beach. We are having a great
holiday.

What about you? I hope you are enjoying
your holiday, too.

I'm looking forward to hearing from you

What do you look for in a good hotel?

18 Read the text and underline the adjectives in the text.

Gina : I found these two hotel brochures. Let's look at them closely for our holiday. The first one is Fairmont Hotel. It's a nice small hotel near the city centre. The second one is Miramar Hotel by the seaside.

Sanchez: Let's compare them, then.

Gina: Fairmont is a boutique hotel and doesn't have many facilities. It's cheaper than Miramar.

Sanchez: Yes, you are right. Besides, it's lovelier than Miramar and it is as modern as Miramar.

Gina: On the other hand, Miramar is a five-star hotel, and it has everything. There is even a hairdresser in it. I think it is more relaxing than Fairmont Hotel, but it's more expensive than Fairmont.

Sanchez: What about the rooms?

Gina: The rooms of Fairmont are as large as Marimar's.

Sanchez: Fairmont's rooms are looking at the river, so their views can be more beautiful than Miramar's. However, its room service isn't as good as Miramar's.

Gina: Maybe both hotels have advantages and disadvantages. I can't decide on one of them.

Sanchez: Let's go to Miramar Hotel. It's bigger and it has a great swimming pool. I think the weather will be hotter than now when we get there. This swimming pool will be awesome for us.

Gina: Alright, let's go to Miramar Hotel, then. Also their rooms look much cleaner than Fairmont's.

D. Reading

Lead in: 

Do you know the movie "Ayla"?
What do you think about it?

11 Read the film review quickly and rate the movie.

Ayla: The Daughter of War

The movie "Ayla: The Daughter of War" is the true story of a Turkish sergeant Süleyman Dilbirliği. Yiğit Güralp writes the script as a drama and Can Ulkay directs the movie in 2017. İsmail Hacıoğlu (young) and Çetin Tekindor (old) both act as the sergeant Süleyman. Kim Seol (child) and Kyung-Jin Lee (young) both act as Ayla.

During Korean War, in 1950, sergeant Süleyman finds a little girl. She has no parents. She is scared and lost in the middle of the war. This little girl affects sergeant Süleyman and he names the girl "Ayla". As the war finishes, Turkish troops in Korea returns home but Süleyman doesn't want to leave Ayla. He tries to take her with him but he can not succeed and has to leave her there. Will they see each other again?

I give "Ayla" ★★★★★, go and watch it soon.

10 Read the text. How long did they stay in Nice?

What a Nice Place! "Nice"

Last summer my family and I went to Nice. It is a city in France. It's a great place to have a holiday. People are very friendly and hospitable. Especially, the port of Nice is a fantastic place to visit.

On the first day, we went to a restaurant with a terrace. It had a wonderful view of the sea. Also, the dishes were absolutely delicious.

On the second day, we went to a museum. It was a very unusual museum of bric-a-brac. We saw a lot of bric-a-brac from different places of the World. After visiting the museum, we went on a sightseeing tour to the Old Town of Nice called "Vieux Nice". There were a lot of old, colourful and beautiful houses. The flowers on their balconies were amazing. After that, we went to the Massena Square and walked around the historic buildings.

On our last day, we spent a whole day at the great beaches of Nice. We swam, sunbathed and had a great time on the beach.

It was a short but very entertaining and relaxing holiday. I definitely want to go there again.

THE SPACE EXPLORATION

HISTORY OF THE CELL PHONE

DISCOVERIES IN OUR LIVES

.....

Human always dreamed about spaceflight. When the World War II finished, the United States and Soviet Union created their own missile programs. First the Soviets achieved it. On April 12, 1961, Russian Yuri Gagarin became the first human to orbit the Earth. His flight lasted 108 minutes. In 1961, Alan Shepard became the first American to fly into space. And in 1969, Astronaut Neil Armstrong took "a giant step for mankind" when he stepped onto moon.

.....

Alexander Graham Bell invented the telephone in 1876. And then in 1900, an inventor named Reginald Fessenden made the first wireless telephone call. He was the first to transmit the human voice via radio waves, sending a signal from one radio tower to another. In 1973, a man named Martin Cooper and his associates made the first portable mobile phone. They used the technology of the police radio.

.....

The scientists discovered millions of things and places during the centuries. The discovery of relativity, electricity, gravity, penicillin, germ, blood circulation, new continents, ancient civilisations... No doubt, the most important of all is the fire. Every discovery affected and changed our lives and we learnt a lot of things about the mankind, the Earth and the space. There are many stories. For instance, everyone knows the story about the discovery of gravity. While Newton was sitting under a tree, an apple dropped on his head and he discovered the gravity. That's really incredible.

Five ways Stephen Hawking predicted that the world will end

1. Death by

We will die in less than 600 years when the Earth is so overpopulated. Our energy consumption will make the planet burn red. The earth's population will be shoulder to shoulder.(a) and the electricity consumption will make the Earth glow red hot.

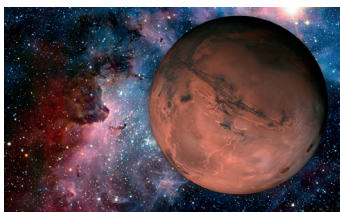

2. will take over the world.

Artificial intelligence will replace humans.(b) If people design computer viruses, someone will design something that replicates itself.

This will be a new form of life.

3. Human aggression and will kill us in the end.

Greed and aggression overwhelmed the humans. They are in our genomes through the evolution. Weapons and militarised technology cause deaths in huge amounts.(c)

4. We need to find another to live on. We need to explore other planets to avoid extinction(d)

If we don't find another planet to live on, climate change and over population will bring us to the end.

5. Paris agreement.

Stephen Hawking warned Donald Trump that if he doesn't sign the Paris climate change agreement, the earth will become like Venus with a temperature of 250°C and raining sulphuric acid.(e)
