İSTİKLÂL MARŞI

Korkma, sönmez bu şafaklarda yüzen al sancak;
Sönmeden yurdumun üstünde tüten en son ocak.
O benim milletimin yıldızıdır, parlayacak;
O benimdir, o benim milletimindir ancak.

Çatma, kurban olayım, çehreni ey nazlı hilâl!
Kahraman ırkıma bir gül! Ne bu şiddet, bu celâl?
Sana olmaz dökülen kanlarımız sonra helâl.
Hakkıdır Hakk'a tapan milletimin istiklâl.

Ben ezelden beridir hür yaşadım, hür yaşarım.
Hangi çılgın bana zincir vuracakmış? Şaşarım!
Kükremiş sel gibiyim, bendimi çiğner, aşarım.
Yırtarım dağları, enginlere sığmam, taşarım.

Garbın âfâkını sarmışsa çelik zırhlı duvar,
Benim iman dolu göğsüm gibi serhaddim var.
Ulusun, korkma! Nasıl böyle bir imanı boğar,
Medeniyet dediğin tek dişi kalmış canavar?

Arkadaş, yurduma alçakları uğratma sakın;
Siper et gövdeni, dursun bu hayâsızca akın.
Doğacaktır sana va'dettiği günler Hakk'ın;
Kim bilir, belki yarın, belki yarından da yakın.

Bastığın yerleri toprak diyerek geçme, tanı:
Düşün altındaki binlerce kefensiz yatanı.
Sen şehit oğlusun, incitme, yazıktır, atanı:
Verme, dünyaları alsan da bu cennet vatanı.

Kim bu cennet vatanın uğruna olmaz ki feda?
Şüheda fışkıracak toprağı sıksan, şüheda!
Cânı, cânânı, bütün varımı alsın da Huda,
Etmesin tek vatanımdan beni dünyada cüda.

Ruhumun senden İlâhî, şudur ancak emeli:
Değmesin mabedimin göğsüne nâmahrem eli.
Bu ezanlar -ki şehadetleri dinin temeli-
Ebedî yurdumun üstünde benim inlemeli.

O zaman vecd ile bin secde eder -varsa- taşım,
Her cerîhamdan İlâhî, boşanıp kanlı yaşım,
Fışkırır ruh-ı mücerret gibi yerden na'sım;
O zaman yükselerek arşa değer belki başım.

Dalgalar sen de şafaklar gibi ey şanlı hilâl!
Olsun artık dökülen kanlarımın hepsi helâl.
Ebediyyen sana yok, ırkıma yok izmihlâl;
Hakkıdır hür yaşamış bayrağımın hürriyet;
Hakkıdır Hakk'a tapan milletimin istiklâl!

GENÇLİĞE HİTABE

Ey Türk gençliği! Birinci vazifen, Türk istiklâlini, Türk Cumhuriyetini, ilelebet muhafaza ve müdafaa etmektir.

Mevcudiyetinin ve istikbalinin yegâne temeli budur. Bu temel, senin en kıymetli hazinendir. İstikbalde dahi, seni bu hazineden mahrum etmek isteyecek dâhilî ve hâricî bedhahların olacaktır. Bir gün, istiklâl ve cumhuriyeti müdafaa mecburiyetine düşersen, vazifeye atılmak için, içinde bulunacağın vaziyetin imkân ve şeraitini düşünmeyeceksin! Bu imkân ve şerait, çok namûsait bir mahiyette tezahür edebilir. İstiklâl ve cumhuriyetine kastedecek düşmanlar, bütün dünyada emsali görülmemiş bir galibiyetin mümessili olabilirler. Cebren ve hile ile aziz vatanın bütün kaleleri zapt edilmiş, bütün tersanelerine girilmiş, bütün orduları dağıtılmış ve memleketin her köşesi bilfiil işgal edilmiş olabilir. Bütün bu şeraitten daha elîm ve daha vahim olmak üzere, memleketin dâhilinde iktidara sahip olanlar gaflet ve dalâlet ve hattâ hıyanet içinde bulunabilirler. Hattâ bu iktidar sahipleri şahsî menfaatlerini, müstevlîlerin siyasî emelleriyle tevhit edebilirler. Millet, fakr u zaruret içinde harap ve bîtap düşmüş olabilir.

Ey Türk istikbalinin evlâdı! İşte, bu ahval ve şerait içinde dahi vazifen, Türk istiklâl ve cumhuriyetini kurtarmaktır. Muhtaç olduğun kudret, damarlarındaki asil kanda mevcuttur.

Dr. Strange, Master of Magic

Do you think Iron Man, Captain America and their friends have enough power to protect the planet Earth? If so, you're wrong. They all protect us from physical dangers. But what about mystical dangers? Don't worry, we have a new hero, Dr. Strange.

Dr. Strange is an incredible action, adventure and sci-fi film, all in one. The director is Scott Derrickson. Benedict Cumberbatch, Rachel McAdams and Tilda Swinton have the lead roles.

I think it is the best movie I have ever watched. It has an exciting plot and great acting. The leading character Benedict Cumberbatch plays Dr. Strange. He is a neurosurgeon. After a car accident, his hands are injured and he thinks his life is over. He searches for a cure and goes to Nepal. He learns about magic there. Then, he saves the world from a terrible enemy using his magical powers.

My favourite scene is when Dr. Strange discovers that he can play with time.

The movie is full of special effects and they're all breathtaking. There is also lots of humour in it. You laugh all the time.

I think it is a real must-see. I really look forward to seeing the next movie of Dr. Strange.

LOST IN HOBBIES

Your hobbies reflect your character and they make your life more interesting. When you look around, you can easily see people having interesting hobbies. Let's see some of them.

The first one is Geert Vinck, a 29-year-old man from Belgium. He collects tea bags and he has 12000 tea bags now. He also exchanges them with people from different countries. He says that "people exchange tea bags to increase their collections, and make friends with a similar interest."

Another person having an unusual hobby is a Polish artist, Piotr Bockenheim. He carves goose eggs. He uses a tiny electric drill and makes beautiful patterns on a full eggshell. Eggshells are quite fragile materials, so you need a lot of patience and practice for this hobby.

The last one is the most unusual of the three. A 38-year-old man from South London, Paul Yarrow, has a weird hobby. He likes appearing on TV. Whenever he sees a news camera in a public place, he runs there and stands still behind the speaker. He says "My biggest dream is to appear on the reality show *Big Brother*".

 Guess where I am! I am at Camp Rocky. It's in Plymouth. It's really big and we are in a great park near a lake.

2 The day starts very early; at 6:00 a.m.! There are about 38 of us here, 33 teenagers and 5 leaders. We quickly tidy our tents and make our beds. We have breakfast in a huge barn. I often have an omelette with tomatoes. It's delicious. After breakfast, we do our activities. All the activities start at 9 a.m. We usually go rock climbing in the morning and canoeing in the afternoon. We have to wear our helmets when we use the canoes. Our canoe team is great. Around 12, it's lunchtime and we become really hungry. We always cook our lunch on a campfire by ourselves and usually eat what we eat at home, but sometimes we try something new, i.e. burritos. After lunch, we sometimes swim in the lake. Some campers go mountain biking every afternoon, but I rarely join them. I usually go to the computer room and check my e-mails. You know, it's hard for me to live without computers. At nights, we sometimes have karaoke parties. We have fun. They are really exciting! Finally, we become really tired at 10 p.m. and we have to get up quite early, so we go to our tents to sleep.

3 It is a great wilderness camp here. We learn how to survive in nature, make friends with other campers, get fit and enjoy our time. I have memories that will last forever.
 I must go now. It's nearly 7 and we're having dinner in five minutes.
 See you soon.

Gina is 20 years old. She is the soloist who has a crystal clear voice. She is more outgoing and patient than anybody else in the band. Read the text and write the names of the places the family visited.

I visited İzmir with my parents last June and we joined a sightseeing tour around the city. After we left İzmir, we went to Ephesus. We saw the ruins of the Temple of Artemis and the Terrace Houses there. It was so magnificent that the other day we decided to go on a day trip to Bodrum to see another wonder -Mausoleum at Halicarnassus. We left the hotel after breakfast and travelled to Bodrum by a tour bus. We could only see the ruins of the mausoleum and learnt that they used the stones of the mausoleum to build Bodrum Castle. We were amazed by the castle and the view from the top of it. After we went down, we visited the Museum of Underwater Archaeology. My father really liked the shipwrecks from Roman, Greek and Ottoman history, but it wasn't the same for mum. We had lunch at a restaurant at Bodrum Marina - we had delicious fresh fish and green salad. Then, in the afternoon, we went to one of the beaches. After swimming for a while, we took a boat tour to the coves nearby. We took wonderful photos of the castle from the boat. In the evening, we didn't go back to İzmir because we wanted to stay one more day in this fantastic town. It was a wonderful trip - I think the best part of my holiday.

Chang- China

When I went to see the Great Wall of China last year, I learnt that it is in the list of New Seven Wonders. I think it deserves this title because it is the largest building in the world. Thousands of workers built it to protect China from attacks. Most people think that you can see it from the space but in fact this belief is legendary. I'm proud that a structure from my country is in the list.

Akhil – India

UNESCO declared the Taj Mahal as one of the New Wonders of the World in 2007. It is a breathtaking mausoleum in India. When I visited the Taj Mahal, its story affected me deeply. Emperor Shah Jahan wanted to build a structure for the memory of his beloved wife, Mumtaz Mahal because she died after she gave birth to their 14th child. It was the jewel of Muslim art in Indian history. It cost millions of Rupees. I think it's worth it.

Veronica – Mexico

I live in Mexico. Every year about two million people visit my hometown to see Chichén Itzá. It was a well known Mayan city. They used this place as a religious, political and an economic centre. The most important figure in the site is the pyramid, El Castillo. The Maya people built it to watch the movements of the sun. Unfortunately, after the Spanish came here, they used the site as a cattle farm. Was it always in a bad condition? Luckily, no. Thanks to the Mexican government, it is a popular tourist attraction now. In 1988 UNESCO added Chichén Itzá to the World Heritage List.
