

L2

Mark:

Social media is an important part of our daily lives. We spend long hours online; sometimes to learn something new and sometimes to have some fun. We also stay in touch with friends and family by using social media. Look at the people around you carefully. You won't see anyone without a mobile phone. All the people you know have at least one social media account. This is a common fact but I don't think it is a problem. So, I'm trying to find some possible answers to an important question: *'How can we use social media to our advantage?'*

1. Read the text again and complete the sentences (5x3points=15 pts)

- 1- for learning and having fun.
- 2- is an important tool to stay in touch with our family and friends.
- 3- People having at least one is a common fact of today's world.
- 4- You can create about the things you are passionate about.
- 5- While making your profile,

2. Read the text and choose the correct alternative. (5x2points=10 pts)

- 1- Social media *is / is not* very important in our daily lives.
- 2- You can't see anyone without a *mobile phone / tablet* around.
- 3- Link your *address / website* to your social media profiles.
- 4- Share your works on your profiles and *inspire / impress* others.
- 5- Start today and *refresh / update* your profile regularly.
