MATEMATİK

Renkli panoda bulunan rakamları alt bölümlerdeki özdeş renklerinin üstüne yazalım.

A collection of colorful hexagons arranged in a grid. The top row contains nine hexagons with numbers 1 through 9. Below this, there are several rows of hexagons of various colors (blue, red, pink, green, yellow, purple, orange, grey, brown) and sizes. Each hexagon contains a set of dots (three, six, or nine) for writing the corresponding number. The colors and sizes of the hexagons correspond to the numbers in the top row.
