Hi! My name's Wizard Gerome, but everybody calls me Wiz. I live in the countryside of Grindelwald, Sweden. A typical day in my life starts at about 6 a.m. After taking a shower and having an enormous breakfast with my family, I run for the school bus. I love my school and teachers, but they always give us lots of homework. When my school finishes at about 3 p.m., I follow after-school activities. I am in the music club because I am into playing an instrument. I attend it on Wednesdays and Fridays.

When I arrive home, first, I feed my cat. Then I sometimes help my mother prepare the dinner and chat with her about my day. After dinner, I surf the Net and listen to rock music. If the weather is good, I play basketball with my friends. Before going to the bed at about 11 p.m., I always read a book.
