9.

9.-10. soruları verilen metne göre cevaplayınız.

Technology is very important in our lives. It is very difficult to imagine our lives without the Internet and smartphones. Almost all of the teenagers have smart phones and they connect to the Internet, sent messages, use social media and make phone calls. If we want to go somewhere, the smartphones help us to get information on where to go and what to eat. However, this technology can be addictive. We spend too much time on it. It makes us less sociable and it is bad for health. To avoid this addiction, we should be more careful about the time we spend and we should set time limits to it.

Complete the sentence according to passage.  
Teenagers - - - - .

- A) don't have any smartphones
- B) get information from libraries
- C) have social network accounts
- D) use landlines to make phone calls

10. Using smartphone can be addictive because - - - - .

7.-8. soruları verilen metne göre cevaplayınız.

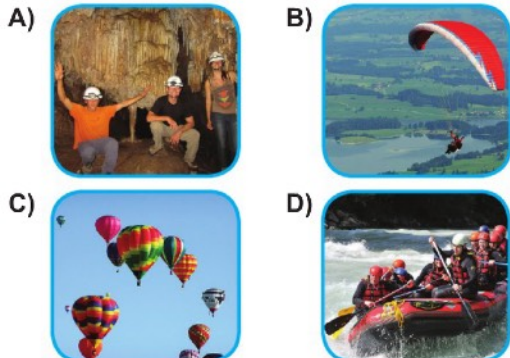

Dear Sam,                      14/07/2017, Thursday

Have you ever been to Turkey? I have been here for my summer holiday since Monday. It is really an amazing city. I also have visited many sights and tried many different extreme sports here. The first day of the week, we visited Blue Lagoon and tried parachuting. The next day we visited Aspendos, Perge and Side ancient cities and went rafting on Manavgat River in Antalya. Yesterday we visited Cappadocia and rode a hot air balloon. Today we are in Uzungöl for caving. I am very excited because I have never been to a dark place so far. We are going to Rize tomorrow to try ice climbing in Kaçkar Mountains. I have also tried delicious traditional dishes in Turkey. I uploaded all my photos here on my Instagram account. Don't forget to like them! You should definitely see this country!

Cheers

Gary

7. Which one of the followings hasn't Gary done yet?

8.

C) it is a lovely and quiet lake  
D) it is located in Amasya

**8-10. soruları verilen metne göre cevaplayınız.**

8.

Dear Dr. Hoffman,  
I would just like to thank you for what you did for my son, Ken. When he lost her one leg after a terrible traffic accident, he felt very sorry. He was an athlete and he loved running very much, so he was sure that his running was over. We couldn't do anything that made him happy. Then you came along with the incredible advances in artificial leg. Ken's leg is very much like a real leg, and now everything has changed. Thanks to his new leg, Ken started to run again. Also thank Mrs. Chaplin for her great help. She is really a good physiologist.  
Best wishes  
Linda Thesis

**--- lost one leg in a traffic accident.**

- A) Dr. Hoffman  
B) Linda  
C) Mrs. Chaplin  
D) Ken

9.

**Which one is false?**
